Comment from Seung Hyun Lee

I am very happy to win the major completion in my mother country!

At this competition, TW-U and TW737-V worked well for score.

There are many long wholes on this course, and more opportunities to use a long club, but due to use of TW-U as a middle iron, I could play easily.

In such cold weather, I could aim onto the green with enough spin of TW737-V.
